OUR STORY SO FAR

Evil Ernie is a dead teenaged psychotic with the power to control the dead. Lady Death is locked in his brain. For her love, Evil Ernie must kill on a grand scale.

Last issue, Lady Death was displeased with Evil Ernie's progress, so Ernie "converted" a segment of the United States Army into Ghouls.

Dr. Price was attacked by Ghouls, so Mary is on her own.

Evil Ernie, in a deep sleep, was about to get his reward from Lady Death in the netherworld, when he was rudely awakened by Mary Young...
